

# Saltash Community School

## Careers Fair

Thursday 22<sup>nd</sup> January 2026

6-8pm

Sports Hall

## Programme

Discover a full list of aspiring businesses, leading employers, and education providers inside.

Explore exciting opportunities and pathways for your future!

## **Saltash Community School Sixth Form**

<https://www.saltash.net/>

At Saltash Sixth Form we can offer you small classes, a caring and wellbeing-focussed tutor programme, and expert teachers who will know exactly how to get the best out of you. Students who return to us after Year 11 do so because they know that the teaching staff here know them incredibly well, and can tailor their teaching to suit the needs of individuals. New students who join us from other schools do so because our small classes and hands-on approach to pastoral care means that we can work closely with all students to set them on the path to adult success.

## **UTC Plymouth**

<https://utcplymouth.org/>

Offer - T-Levels in Digital Technology and T-Levels in Engineering

## **Scott Medical and Healthcare College**

<https://www.scottcollege.co.uk/>

We have more than 300 courses spanning 25-plus subject areas, so all you need to do is choose the right future for you. By studying at City College, you will be fully prepared for a successful career and a happy future. But we don't just give you the skills and knowledge you need for your future job or university, we want you to leave us ready to take on whatever the world has in store for you and provide you the confidence and resilience to take on any challenge that comes your way.

## Arts University Plymouth

<https://www.aup.ac.uk/>

We are an award-winning, independent, specialist arts university, that offers both pre-degree courses (post 16 education), university degrees, and masters degrees. Whether through award-winning student support, national teaching accolades, or pioneering creative research, Arts University Plymouth is redefining what it means to study and work as a creative in the 21st century.

Named University of the Year for South West England in both 2024 and 2025 at the Whatuni Student Choice Awards, and ranked second in the UK for student satisfaction by Times Higher Education in 2024, we are proud to be consistently rated the top-scoring arts university in the UK in the National Student Survey since 2022.

From Fashion to Games Art and Animation, our courses cover a wide range of creative disciplines. Find out more and explore our courses on our website: [www.aup.ac.uk](http://www.aup.ac.uk)

## Falmouth University

<https://www.falmouth.ac.uk/>

For over 120 years, Falmouth University has been shaping the future of the creative industries, and beyond. Creative thinking is the driving force behind innovation, offering solutions to global challenges and inspiring people to think, act, and feel differently.

At Falmouth, you have the freedom, support, and real-world opportunities to challenge conventions, think boldly, and explore the boundaries of what's possible.

## Plymouth Marjon University

<https://www.marjon.ac.uk/>

Plymouth Marjon University - degree courses in sport, psychology, criminology and forensic, education and health courses. We also offer a variety of apprenticeships.

## University of Exeter

<https://www.exeter.ac.uk/>

At the University of Exeter we combine teaching excellence and high levels of student satisfaction with world class research at our campuses in Exeter and Cornwall. We are a member of the Russell Group of leading research-intensive universities. Our success is built on a strong partnership with our students and a clear focus on high performance.

## University of Plymouth

<https://www.plymouth.ac.uk/>

The University of Plymouth is known for its research in marine science, engineering, medicine, dentistry and robotics. It also stands out for its high-quality, research-informed teaching, strong graduate prospects, and specific subject areas like optometry and physiotherapy, as well as degrees that cover a range of subjects across Arts, Humanities, Business, Science, Engineering and Healthcare. The university is also recognised for its commitment to professional development and has received awards for its social enterprise and environmental efforts.

## University Hospitals Plymouth NHS Trust

Information provided on NHS apprenticeships and careers within the NHS

[www.healthcareers.nhs.uk](http://www.healthcareers.nhs.uk)

## NHS Voluntary Services

<https://www.england.nhs.uk/get-involved/get-involved/volunteering/>

Are you interested in becoming a volunteer? Do you want to help your local hospital or gain experience in a hospital setting? Do you want to give your time supporting the NHS?

We are looking for volunteers to help us across Derriford hospital in roles which support clinical staff and patients in a variety of ways. Our volunteers help us to go above and beyond, to boost the care given by staff and improve patient experience.

As a Trust volunteer you'll gain a unique insight into hospital life and get the satisfaction of helping your local NHS and giving back to your community, as well as being a valuable part of our #1BigTeam. You will learn new skills and receive relevant training (both of which will be great for your CV or life experience).

In return we ask you to be reliable, committed and attend regularly (2-4 hours every 1-2 weeks) for at least six months. Our minimum age for roles is 16 unless specified, but we have no upper age limit.

## NHS - Speech and Language therapy

<https://www.healthcareers.nhs.uk/explore-roles/allied-health-professionals/roles-allied-health-professions/speech-and-language-therapist>

Discover Your Future in the NHS!

Join the Speech and Language Therapy Team for an exclusive insight into their working life and explore the wide range of career opportunities within the NHS.

Take part in our Career Quiz to find the profession that suits you best and learn the steps to achieve your goals.

## The Valuation Office

The Valuation Office Agency (VOA) provides valuations and property advice to support taxation and benefits to the government and local authorities in England and Wales. It also provides valuation and surveying services to public sector bodies. We offer level 3 apprenticeships in surveying and further higher level surveying qualifications.

Also entry level administrative roles into our customer service centre.

## **Cornwall and Isle of Scilly Pharmacy**

A pharmacy's main role is to ensure that patients receive the correct medication in a safe manner. These are some of the roles:

Store assistants – Movement of medication around the hospital

Dispensing assistants – dispensing of medications within community and hospital settings

Student technicians (apprenticeship) – 2-year training course to become Pharmacy Technician

Technicians – supporting pharmacists on the ward, within the GP practice, in the community or the ICS

Pharmacists – 4-year degree, provision of safe medication to patients across all settings

## **Home Instead Tavistock and Tamar Valley**

<https://www.homeinstead.co.uk/tavistock-tamar-valley>

Care Professional role in domiciliary care visiting clients in their own homes

## **NHS Department of Clinical Technology**

'A day as a clinical technologist

You work at your local NHS hospital, checking, fixing and maintaining complex medical equipment. You begin at 9am, checking a high-tech laser machine to make sure it's still working safely and correctly.

You examine each part carefully and use specialist testing equipment to measure the performance of the machine. Once you're sure it's still performing perfectly, you record test results and schedule in another later in the year.

Next, you help measure materials for radiation therapy - using your scientific knowledge to make sure radioactive substances are handled safely and given in the correct doses. You enjoy using your expertise to ensure complicated equipment and treatments work correctly - and that your work helps save lives.'

## **Step Into Learning**

<https://stepintolearning.org.uk/>

We are a small, friendly specialist independent training provider based in the heart of Launceston and have over 20 years experience and Good Ofsted. Our classes are small allowing that additional support for those who prefer somewhere smaller or perhaps have an EHCP or challenges such as anxiety, ADHD etc. We offer a range of courses and increasing those in the coming months along with specialist career advice and work experience. Many learners join us leaving far more confident, with excellent life skills and the ability to move on and get work.

## **Skills Group**

<https://www.skillsgroupuk.com/>

## **Building Plymouth**

<https://buildingplymouth.co.uk/>

Established in 2015, Building Plymouth is an award winning, Council-led partnership driving skills, training and employment, facilitating opportunities for social value, and acts as the united voice for the industry

Our Vision is to close the skills gaps and skills shortages by attracting and creating a skilled supply of people to match the demand for local construction and built environment employers.

## **Achievement Training Ltd**

<https://achievementtraining.com/>

Achievement Training offer flexible and supportive study programmes, designed to help school leavers, aged 16 - 18, gain the skills and experience needed to start their career.

We have many options of courses in areas such as;

Animal Care

Hair & Beauty

Childcare & Teaching

Health and Social Care

Foundation Learning

Choose from one of these vocational courses and follow a structured weekly schedule:

1 or 2 days per week attending Achievement Training to develop practical skills in your chosen qualification.

1 day per week working towards your English and Maths qualifications (If required).

1 day per week gaining hands-on experience through a work placement.

This balanced approach gives you the opportunity to learn, apply your knowledge in a real-world setting and strengthen your core academic skills, all while working towards your main career goal.

Achievement Training has been supporting learners and employers across Devon and Cornwall since 2001, delivering high-quality apprenticeships that combine practical skills with nationally recognised qualifications. With a strong reputation built on trust and results, we work closely with local businesses to ensure apprentices gain the knowledge, confidence, and hands-on experience needed to thrive in their chosen careers.

## Cornwall Army Cadet Force

[Fun, Friendship, Action and Adventure | Army Cadets UK](#)

We represent Cornwall Army Cadet Force and have a detachment in Saltash located at the Cadet Centre, Elwell Road, Saltash PL12 6AP. We parade every Tuesday evening from 7pm to 9 pm. Army Cadet Force (ACF) is a national, voluntary youth organisation for young people aged 12 to 18 in the UK, sponsored by the Ministry of Defence.

Its goal is to inspire young people to achieve success in life through a wide range of activities that build physical, mental, and social skills like teamwork, confidence, and leadership.

Activities include adventurous training like hiking and canoeing, first aid, target shooting, and community projects, and cadets can also earn vocational qualifications like the Duke of Edinburgh's Award and BTECs. Activities: Cadets participate in a variety of activities, including adventurous training, fieldcraft, target shooting, and first aid.

Skills development: The ACF aims to develop physical, mental, and social skills by encouraging teamwork, confidence, and leadership.

Qualifications: Cadets can gain valuable qualifications, such as the Duke of Edinburgh's Award and BTEC diplomas, which can contribute to their prospects.

Community focus: The organisation has a strong community focus, with activities designed to build community spirit and involve young people in their local area.

Structure: The ACF operates in over 1,700 locations across the UK, with a large membership of both cadets and adult volunteers.
